

**CANDIDATE FOR DIRECTOR
HESPERIA RECREATION AND PARK DISTRICT**

NAME: RICHARD G LUPTON

AGE: 60

OCCUPATION: Park Director

I am deeply honored to serve on the Hesperia Recreation and Park District. Together, your Park Board and I have worked to ensure that your recreation and park needs are met. As well, we have made **protecting** our children our highest priority!

While serving, we have added new fields for our many sports related activities, we have created and renovated the BMX track, the Nature trail at the lake, re-plastered our pool, provided major improvements throughout the district and have even added a new park to our community!

I am also encouraged by the generous commitment and support we've received from the city which continues to make our work possible, the building industry in their willingness to share the responsibility for creating more parks and playgrounds in their developments, and the community for taking advantage of the countless activities sponsored or hosted by the Park District.

As your Park Board Member, I commit to remain true to these key principles:

- **NO NEW TAXES!**
- Protecting our Children
- Meeting Hesperia's recreation and park needs

On November 7th, I would be sincerely honored to once again receive your vote. Please vote RICHARD LUPTON for Hesperia Recreation and Park District.
